

Irregular Verbs

Irregular verbs are verbs that don't follow a specific spelling pattern when they're turned into the past-tense form.

Some examples of irregular past-tense verbs are: **went, gone, did, done, came, broke,** and **began.**

Circle the irregular verb in each sentence:

- 1) The two friends went to the park together.
- 2) He chose to play on the swings.
- 3) They built a sand castle in the playground.
- 4) She came to the park late.
- 5) The girl had drawn a flower in the sand.
- 6) Their parents drove them home.
- 7) She heard a dog barking.
- 8) They kept running to the slide.
- 9) His friend knew he was going to fall.
- 10) The boy lost his toy car.
